

Kansas City, Kansas Police Department

KCKPD TRAINIG UNIT

FIRING RANGE RULES

1. Remember the four universal firearms safety rules.
 - A. All firearms are always loaded!**
 - B. Never allow the muzzle to cover anything you are not willing to Destroy.**
 - C. Keep your finger off the trigger until your sights are on target and
You have made a conscious decision to shoot.**
 - D. Always be sure of your target and its surroundings.**
2. Weapons will always be pointed downrange. Ensure that you do not endanger yourself or others while on the firing line by turning with a weapon in your hand.
3. Weapons will remain in the holster at all times when not on the firing line, except as directed by the KCKPD range staff.
4. Everyone on the firing line will wear a billed cap with eye and hearing protection.
5. Load your weapon only on command of the range officer.
6. **Fingers are to remain outside the trigger guard when drawing the weapon and anytime the weapon is out of the holster until the moment the shooter has decided to fire. Always keep fingers outside the trigger guard when holstering the weapon.**
7. If an officer suspects that a light or "squib" round has been fired, because of an unusual report or lack of felt recoil, the officer shall stop firing immediately and notify arrange officer by raising their hand while keeping the weapon pointed downrange. All other malfunctions will be dealt with by the appropriate immediate action procedure.

(continued)

8. **Shooters will remain on the firing line upon completion of firing until the designated KCKPD range staff member has visually and physically cleared each weapon on the firing line.**
9. Never step off the firing line or forward of the firing line until commanded to do so by the range officer. Upon completion of a stage of fire the officer will remain in place, on their firing position until the instructor announces "the line is secure". **Officers will not bend over to police brass, retrieve magazines or other items until the line has been secured.**
10. Any person observing an unsafe condition on the firing line shall immediately call for firing to cease. Report all safety violations to the nearest range officer.

My signature below acknowledges that I have been given a copy of the above rules. Any violation of the rules may result in my removal from the firing line and disqualification from the qualification attempt. I have read and understand the above rules and agree to adhere to them.
