CLINIC DAY

What You Need To Know

1. Your pet should have **NO FOOD AFTER 10 PM** the night before surgery.
2. Be on time or risk losing your appointment.
3. There will be two outdoor tents set up for drop off - one for cats and one for dogs.
4. Dogs must be on a leash.
5. Cats must be in a clean, secure carrier, with no holes or breaks, with either a blanket or towel on the bottom.
6. Make sure you have your phone nearby as staff will call you once your pet is ready to be picked up. Note: Some staff may call using their personal cell phones, so please answer even if it is an unknown number.
7. Pets must be picked up **NO LATER THAN 4 PM.**
